Why do people in chronic pain continue to farm?

It gives them purpose.

Farming keeps them engaged and active.
Animals became the key to her recovery.

“As my farm grew, I began to change. Being outside made me feel better.”
“I thought I would be healthy forever - but things happen. I have a chair in the barn that I use once in awhile if I get aching real bad.

But to me it’s important to keep going.”
Our goal:
Adaptive equipment fund

• Keeping farmers employed
• Supporting the rural economy
• Strengthening our local food system
