

Table Talk: Assistive Tech for Women in Ag

Abbie Spackman
Karen Funkenbusch
Linda Fetzer

This presentation is partially supported by AgrAbility for Pennsylvanians under USDA/NIFA 2017-41590-27105 and Missouri AgrAbility USDA/NIFA under 2018-41590-22323.

Learning Objectives

Explore

Explore the limitations in the equipment and tools available for female farmers

Discuss

Discuss assistive technology adaptations for female farmers

Identify

Identify assistive technology recommendations and resources for women

Are all tools created equally?

- Size/length
- Grip
- Foot placement
- Handle

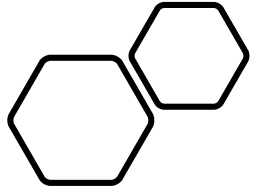

Gloves: Does one size really fit 'most'?

Tractors, UTVs, and Vehicles

Assistive Technology

Resources?

Thank you!
