Problems: use chat window or email jonesp@purdue.edu

LEGACY FARMING
& HEALTH GROUP

AgrAbility: USDA–sponsored program that assists farmers, ranchers, and other agricultural workers with disabilities. We also have a special focus on outreach to underserved populations.

- Partners land–grant universities with disability services organizations. Currently 20 state projects
- National AgrAbility Project: Led by Purdue’s Breaking New Ground Resource Center. Partners include:
 - Goodwill of the Finger Lakes
 - APRIL (Association of Programs for Rural Independent Living)
 - Colorado State University
 - Washington State University
- More information available at www.agrability.org

Outreach and Assistance for
Socially Disadvantaged Farmers
and Ranchers and Veteran Farmers
and Ranchers
(2501 Grant Program)

LEGACY FARMING
& HEALTH GROUP

Assist socially disadvantaged or veteran farmers and ranchers in **owning operating and successful farms and ranches**;

Improve participation among socially disadvantaged or veteran farmers and ranchers in **USDA programs**;

Build relationships between current and prospective **farmers and ranchers** who are socially disadvantaged or veterans and **USDA's local, state, regional, and National offices**;

Introduce agriculture-related information to socially disadvantaged or veteran farmers and ranchers through innovative **training and technical assistance techniques**; and

Introduce agricultural education targeting socially disadvantaged **youth**, and/or socially disadvantaged **beginning farmers and ranchers**, in rural and persistent poverty communities.
