

MONDAY, March 20th 1 - 4pm PRE-CONFERENCE SESSIONS

New Staff Training

This session gives an overview of the AgrAbility Program for new staff members or those wanting a refresher. Some topics covered include a perspective from the USDA, the role of the National Project, resources available, evaluation procedures, and sources of help inside and outside AgrAbility. Participants will also have opportunities to network with one another, NAP staff members, and USDA contacts.

Worksite Assessment, Secondary Injury and AT Selection Training

This preconference professional development session will explore the process of conducting an agricultural worksite assessment, the potential for secondary injuries when using assistive technology on the farm, the selection of AT and modifications, and sources of AT and modifications. The session will also cover the contents of the updated Agricultural Worksite Assessment Tool for Farmers and Ranchers with Disabilities and a new tool for assessing AT safety. The fee for this session is \$25.00

Mental Health First Aid Training

9 am – 3:30 pm

MHFA is designed to increase knowledge and build skills to help someone who is experiencing mental health problems. The training includes information about signs and symptoms of mental health problems and provides opportunities to practice response skills for specific types of problems. Participants are trained to provide informed, caring support and to suggest and connect people to community resources.

Participants complete 2 hours of self-paced online coursework within the MHFA Connect training system before attending 5.5 hours of instructor-led training through an in-person session. The fee for this session is \$60.00

MONDAY, March 20th 1 - 4:30 pm PRE-CONFERENCE TOUR

Tour of Providence St. Luke's Rehabilitation Medical Center

At Providence St. Luke's Rehabilitation Medical Center, medical rehabilitation excellence and compassion are at their core. Their fully accredited rehabilitation center is home to an expert team that integrates treatments, technology, and care to help patients of all ages achieve their goals following stroke, spinal cord injuries, orthopedic issues, and brain injuries. They are proud to be one of the most technologically advanced rehab centers in the United States, and they leverage their innovation every day to help their patients thrive. \$40 Fee- Subject to change based on COVID protocols.
