

How Do We Get There From Here? Destigmatizing Disability Within the Farming Community

National AgrAbility Workshop

Objectives

- 1) Learn about the attitudes and beliefs many farmers have about disability.**
- 1) Describe disability stigma and how it impacts the participation of farmers in AgrAbility programs.**
- 1) Identify effective strategies for de-stigmatizing disability within the farming community in order to increase access and utilization of AgrAbility services.**

Panelists

- **Tony Delisle - Florida AgrAbility Co-Investigator**
tdelisle@cilncf.org
